promises to be a Scam Buster and a Digital Hero by following these online safety rules:

✓ **Think Before I Click**
I will be careful before clicking links, especially in messages from strangers or offers that seem too good to be true.

✓ **Keep My Passwords Secret**
I will create strong passwords and never share them with anyone except my parents or guardians.

✓ **Stay Private Online**
I will not share my personal details, like my real name, address, or passwords, with people I meet online.

✓ **Spot the Tricks**
I will watch out for scams, fake giveaways, and messages that try to rush me into making a decision.

✓ **Ask a Trusted Adult**
If I ever feel unsure about a message, a website, or an online offer, I will ask a parent, teacher, or trusted adult for help.

✓ **Teach Others**
I will share what I've learned with my friends and family, especially parents and grandparents, so we can all stay safe online.

✓ **Use The SCAM Method - Stop, Check, Ask, Monitor**
to help protect myself and those around me from online scams.

I understand that by following these rules, I am helping to stop scammers and make the internet a safer place for everyone.
I am proud to be a Scam Buster!
